**1** A spritz of this natural cleanser can kill 99.9 percent of the germs on your hands naturally, without the use of harsh chemicals. The ingredients are gentle and safe for frequent use, and the compact size means it can travel easily with kids and parents alike. (And it smells fresh and clean, not sterile, too.)

**To buy:** \$17 for a pack of 6; [amazon.com](https://www.amazon.com).
