The Best Travel Hand Sanitizer Sprays

As we head into cold and flu season, not to mention a time of hectic and crowded travel, make sure that you're stocked with a proper hand sanitizer. One that covers all the bases. It should first and foremost, kill any potentially harmful germs, but it should also be gentle to your skin, while a nice smell is certainly a bonus. We combed through the best reviewed sprays to bring you three stellar options. Thankfully, they're all sold in multiples so you can keep one in your travel bag and one at work or in your car.

CleanWell Botanical Hand Sanitizer

★★★★☆ / 315 REVIEWS

“This is an effective thymol-based antiseptic spray. It's a nice light spritz with a slight herbal scent. My co-worker used my mine and now she's hooked too. They're perfect for travel and you don't have to worry about it leaking either.”
